DEMOCRATS OF BRONX IN HARMONY SESSION NAME MURPHY LEADER

Powers That Be Agree to Leave
Geraghty-Brown Fight to
Voters' Decision.

The Bronx County Democratic Committee, comprising delegates from the five Assembly districts, had a harmony session at Niblo's Garden, One Hundred and Seventy Street and Third Avenue, last night. The expected trouble over the leadership in the Thirty-second District South was averted when word was passed that the powers that be had decided to recognize either Leader James F. Geraghty or James W. Brown if he could show a clear victory. The independents were satisfied with this. Then, on motion of Leader Stephen

A Foe to Tuberculosis

The Journal of the American Medical Association (August 19, 1915), reviewing an article on "The Influence of Calcium Salts on Constitution and Health," said: "The (the authors) found evidence of concrete instances in which patients gained in vitality and energy after taking calcium."

Doctors agree that in tuberculosis low-vitality and low energy must be overcome. One of the constituents of Eckman's Alternative is calcium (lime). In such combination with other valuable ingredients as to be easily assimilated by the average person. To this in part, is due the success in the treatment of tuberculosis a service which even some official practitioners have acknowledged to their patients. We make no wholesale claims for it, but since it contains no opiates, narcotics or habit-forming drugs, a trial is safe. Sold by all Ficker-Hageman stores and all druggists. Eckman Laboratory, Philadelphia, PA.

Signed by the Thirty-fourth District a resolution on organization was moved by Chairman Philip J. Schmidt, consisting of Arthur Murphy, Stephen Nagel, Michael J. Davis, Joseph L. Barry, Thomas A. O'Neill and Thomas J. Korman. Gene McGee and several other prominent independents were present and exchanged greetings with the "regulars."

The convention started an officers for 1916:

Philip J. Schmidt, President; Jerome F. Brady and Dr. William Cohen, Vice Presidents; Daniel J. Carr, Treasurer; John J. Kennedy, Secretary; James A. McMahon, Recording Secretary; James J. Lyons, James Ferguson, General Secretaries; James M. Fitzpatrick, Louis F. Haffen, John R. Peterson, Rudolph J. Kennedy, Peter J. McDermott, District Vice Presidents; Martin T. Monahan, Edward Russell, Elmer Neuman, Matthew J. Crowley, John D. O'Connor, District Secretaries; Charles Krantz, Sergeant at Arms.

Arthur Murphy was again selected County Chairman without opposition. Notwithstanding the spirit of harmony that seemed to prevail at last night's meeting, representatives of former Alderman Brown today served an order on Geraghty and Deputy Sheriff James Devine to show cause next week why they should not be punished for contempt of court in not having complied with an order for the seating of William Anderson as a county committeeman. This order was issued by Supreme Court Justice Brady.

One of the Brown followers said the writ was "only a precautionary measure to insure peace."

Postoffice Safe Blown Open.
ST. JAMES, I. I., Oct. 7.—Burglars blew open the safe in the postoffice here this morning. The noise they made woke up a number of persons and the men while getting away returned shot for shot with a couple of citizens. Postmaster Anthony Heck says that only about \$15 is missing. The post-office interior is a wreck. The safe door was torn to bits and the safe combination was buried through the side of the building and driven through a window in the house of Everett Smith.

CHAUFFEUR WITH LIMP HELD IN \$2,500 AS THIEF

Swindler Charged That He Flew With Earrings While Posing as a Buyer.

Martin Quinn, a lame chauffeur known as "Dingy," was held in East End last night on a charge of robbery. He was charged with the theft of a pair of earrings worth \$2,500 from the home of Mrs. Donnelly, a widow, who lives at No. 122 East One Hundred and Thirty-eighth Street, yesterday afternoon.

Quinn told the police that a young man who jumped entered the store and asked to be shown earrings, but while looking at them asked to be shown some rings. Quinn stepped to a safe to get the rings and the customer asked a pair of earrings and a ring. A friend of the jeweler who was in the store gave chase, but the lame thief escaped. "I know the man. He is a chauffeur," the friend told detectives, and after inquiring at garages in the Bronx, Detective McLoughlin decided to arrest Quinn. The jeweler and his friend have identified the prisoner as the thief, but Quinn insists that they are mistaken.

Street-Cleaning Superintendent Dead.
August F. Gunther, General Superintendent of the Street Cleaning Department, died today. He started as a sweeper in 1895 and worked himself up to the highest position in the uniformed force. He was forty-two years old and lived with his two children at No. 274 Creston Avenue, the Bronx. Commissioner Fletcher, on learning of the death of Mr. Gunther, postponed the Department apparatus parade which was to have been held next Saturday until next Tuesday.
